# FIHS proudly holds the following approvals and accreditations, attesting to our commitment to excellence:

·**Highfield Awarding Body for Compliance (HABC):** HABC is a UK-based organization that provides vocational qualifications and training resources. Their certifications cover a wide range of sectors, including compliance, food safety, health and safety, security, and more.

·**American Safety Health Institute (ASHI):** ASHI is a US-based organization that offers training and certifications in various areas of health and safety, including first aid, CPR, AED, and other emergency response skills.

·**Offshore Petroleum Industry Training Organization (OPITO):** OPITO is an international, not-for-profit organization that focuses on setting standards and providing training for the oil and gas industry, particularly for offshore operations.

·**Abu Dhabi National Oil Company (ADNOC):** ADNOC is a state-owned oil company in the United Arab Emirates. Being accredited by ADNOC likely means that FIHS is recognized as a provider of training services that meet ADNOC's standards.

·**Department of Health (DOH):** The Department of Health in various countries is responsible for public health matters. Being accredited by the DOH might signify that FIHS's services are in line with health-related regulations and standards.

·**Federal Authority for Nuclear Regulation (FANR):** FANR is an authority responsible for regulating nuclear activities. If FIHS delivers course content approved by FANR, it indicates its involvement in providing training services related to radiation safety and compliance.

·**Scaffold Training Institute (STI):** STI is likely an organization that provides training and certification in scaffolding-related skills, emphasizing safety and competence in working with scaffolding structures.

·**The International Powered Access Federation:** The International Powered Access Federation (IPAF) is a global organization focused on promoting the safe and effective use of powered access equipment, such as aerial work platforms and mobile elevating work platforms.

Moreover, FIHS is honoured to be recognized as an **IELTS** Test & Registration Center in partnership with the esteemed **British Council**. This distinctive privilege signifies our dedication to facilitating language proficiency for aspiring individuals.

The approvals and accreditations reflect FIHS's dedication to top-quality training and services in various industries. Shows commitment and adherence to best practices.
